# The Original CLUB ENGLAND Scarborough Music Festival

Welcome to The Scarborough Music Festival,  
developed by Club England in proud association with  
local authorities and Scarborough Fayre  
- a festival tradition going back to the middle ages!

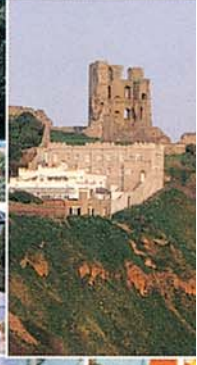

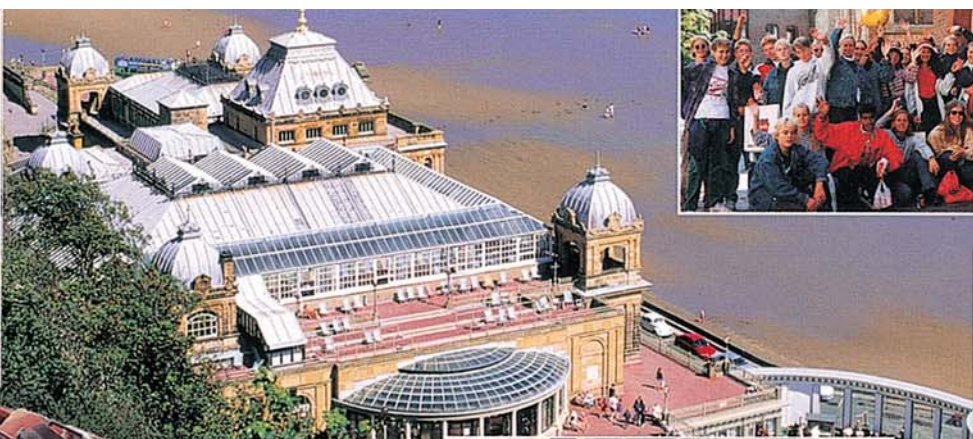

The main part of the Festival runs for the first weeks of your  
school summer holidays. The Festival is open to all bands - school,  
marching, mixed age, adult, military, brass, wind and jazz, as well as  
string orchestras, choirs and dance groups.

These pictures show some of the exciting activities Club England  
arranges for you - and some of the many bands which joined us recently.  
Club England welcomes all nationalities, age groups, and ability levels to  
the Scarborough Music Festival - one of the country's most  
colourful summer events.
